

Release Form

Regional or State Events:

The policy of the Air Capital Flyers is that we are responsible for all athletes from the time of our departure for this event and/or until the time we return to our location. However, we understand there may be occasions when as parents or legal guardians you will want to arrange for your child to travel home with you instead of traveling with the team. In order to do so you must have a release from signed, releasing the Air Capital Flyers of all responsibility before you leave with your child.

All athletes will be required to ride to a State function either with their parents, coach or a registered volunteer. Athletes will not be allowed to provide transportation for other athletes to a state function, unless they sign the proper release form.
