Friday's Volleyball Schedules are available on line. Please keep in mind all game times and court numbers are subject to change throughout the tournament. Teams may receive awards immediately following the completion of their bracket if the final bracket standings are obvious.

Please remember that all referees, score table workers and tournament helpers are VOLUNTEERS. We have been informed some of the Tournament referees are certified officials. However, these officials may not be familiar with our athletes and our modified rules. You can find a copy of the rules in your coach's binder.

#### **IMPORTANT INFORMATION ON SWIMMING AT HOTEL/MOTELS:**

Special Olympics Kansas' policy regarding the use of hotel/motel pools:

Motel swimming is not a supervised Special Olympics Kansas activity. Even though teams are traveling to Kansas City for the purpose of participating in the Fall Classic Tournament, only Volleyball and Bowling related activities are covered by SOKS insurance; motel swimming is not. It is necessary to comply with the following policies when swimming in hotel/motel pools.

1. Parents are allowed only to take their own child into the pool area, no other team athlete.
2. Coaches: If you are not a certified lifeguard, you are not allowed to take athletes into the pool area. If the hotel provides a certified lifeguard, then for every four (4) athletes swimming, there must be one (1) coach in the pool at all times.

3. Athletes with history of seizures must have 1on1 supervision at all times.

Anyone found to be breaking these rules will be asked to leave the tournament before it has been completed. Special Olympics Inc. takes this policy seriously and will not tolerate non-compliance. Please do not put my coaching staff or myself in a position to have to ask you to leave the tournament before it has been completed.

If you have any questions regarding this trip or the information provided in this flyer, please feel free to contact one of us.

**IMPORTANT - Please Make Note: Air Capital Flyers Smoking Policy**

Smoking and /or chewing tobacco will not be permitted while your team is playing or while you are at the Volleyball or Bowling complex. Keep in mind, we can only police our own team members, therefore, other athletes and volunteers may choose to break this smoking policy.

If an athlete feels he/she needs to smoke, they MUST do so outside, not in their hotel room or lobby area, and they must step away from any entrance or exit doors. Please also respect other athletes/coaches by not invading his/her space while doing so.

If anyone is unsure of what would be an acceptable location to smoke, please contact your coach for the nearest acceptable location. This Policy applies to everyone traveling with the team.
